

**2009 Florida Swimming  
Summer Junior Olympic Championships  
July 16-19, 2009**

**2009 Florida Swimming Long Course Junior Olympics**

To: Florida Swimming clubs participating in the 2009 Florida Swimming Long Course Junior Olympics at the Lee County / FGCU Aquatic Center.

Gulf Coast Swim Team welcomes you to Southwest Florida, and hopes to make your trip a pleasant experience.

Here are a few items that will help us run a great Junior Olympics meet for you.

**Spectator Area**

We have a designated shaded spectator seating area. No swimmers or teams will be allowed in the main grandstand bleachers. We will not allow coolers or folding chairs in front of or in this area. Please do not reserve seats. Please do not stand in front of the main grandstand bleachers.

Due to potentially crowded conditions we request that you only use the grandstands during your child's events.

We will have a large tent with cooling fans located in front of the aquatic center for your use during the meet with a live audio feed from the deck.

**Swim Team Areas**

Teams may use the smaller bleachers located around the 50 meter competition pool. Teams may setup behind the bleachers and around the inside perimeter of the aquatic center. You may use folding chairs and tents in these areas. Please do not use folding chairs in front of the bleachers around the competition pool.

**Coaches**

Coaches must wear credentials at all times. Team areas are not reserved and cannot be setup until Thursday morning when the facility opens.

**Parking**

The main parking lot in front of the aquatic center and tennis courts may be used as well as dorm parking lots. We have an overflow parking lot on your right as you drive in to the aquatic center. We request that anyone with motor homes, to please use this lot. Overnight parking is not allowed on the campus of FGCU. There are no hook-ups available. Small tents may be setup in grassy areas outside the facility.

**Meet Results**

Results will be posted under the large tent in front of the facility.

**Vendors**

Meet vendors will be located in front of the facility next to the spectator tent.

Thank you,

Don Henshaw, GCST Senior Coach
